## ABOUT US

Fleisher Products & Signs has been a trusted manufacturer since 1946. Our 70+ years of experience enables our team to help guide you through the buying process and recommend products to uniquely brand your company.

- To enhance your experience, our company offers site visits, which help determine which type of sign and design best fits your office space and its surroundings.

- Taking our service a step further, we will assist with removal of old signs, installation of the new, and maintenance if needed.

- As a part of our guarantee for quality and durability, our team only uses the highest quality materials and latest technology to create long-lasting signs.

Don't see a product you're looking for? Contact us today to see if we can assist! As a custom manufacturer we have a vast array of capabilities, we just don't have enough space to display all of our offerings in this brochure!

## EXTERIOR SIGNS

Increase visibility outside your building for clients and prospects to draw them in. Made with the highest quality materials and our proven production processes, our exterior signs are an extension of your company's marketing and branding efforts.

## INTERIOR SIGNS

Custom Interior Signs and Logos allow you to customize your brand's messaging in a unique, consistent way. Our signs are cut from a variety of materials to give them a 3D look that is customized to your brand's identity. Materials such as acrylics, brushed metals, decorative backers & standoffs, LED lights and more can be combined to create a one of kind display.

Job Site Sign

# VINYL GRAPHICS

Our vinyl graphics are perfect for detailing buildings, windows, walls, cars, or any other smooth surface with designs and lettering. These graphics are a great way to create long-lasting messages such as company mottos, privacy window screening or temporary announcements such as promotions or sales. Made from high performance vinyl, these are specifically designed to last long.

Business Banner

# BANNERS

Whether a banner is displayed at a tradeshow, for a sporting event, or outside your business to communicate a sale, you can be sure that our banners will draw attention.

# MONUMENTS

These are designed to be eye-catching and sophisticated. Whether you are a university, church, neighborhood, financial institution or other business, we are here to assist with the design and install of the right monument.

Changeable Directory Suite Sign

# WAYFINDING & DIRECTIONAL

Wayfinding & Directional signs make it easy for customers or employees to locate specific rooms, departments, or offices throughout your building. We provide businesses with attractive, branded interior signage that offers clear, concise directions through text, numbers and graphics.

# CUSTOM FABRICATION

We are experts in custom sign projects and can help you design a truly unique sign or branding product. Our inhouse services include laser cutting and engraving, sublimation, digital printing, rotary engraving, die cutting, silk screening, drilling, Direct Color System printing, and laminating. Here are just a few custom projects we've completed!

Contact us with your custom project.

## Custom LED Station Sign

This tri-panel LED, lit sign has been purchased by government agencies, department stores, and companies for trade shows. It features changeable, slide out panels for counter use.

## Laser Engraved Gifts

We laser a variety of products such as cutting boards, coasters, keychains, bottle openers, etc. They have been used as client thank-yous, employee gifts, or as branded company items.

## Stencils

Our stencils are great for branding food (latte's, cakes, plates, etc.), walls, or as sidewalk stencils!

## CHPL Weather Proof Wayfinding

Our weather proof, anti-graffiti sign features full color graphics and is guaranteed to withstand outdoor weather for 10 years.
